Unmatched Durability

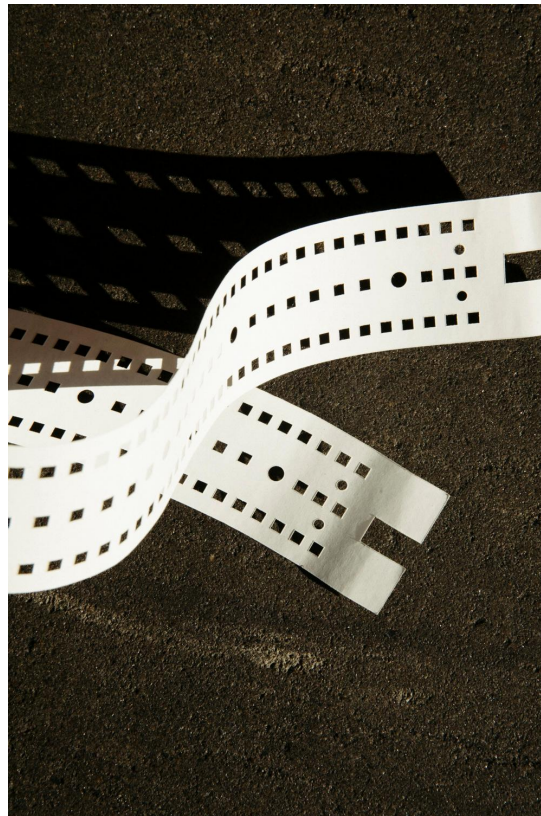

Stands Up to Harsh
Environments

Designed and engineered
for durability and provided
as standard with our
oven-baked DuraGrip
Protection System.
Also available with LSI's
proprietary DuraGrip+
Protection System for
unmatched corrosion
protection and extended
warranty.

TSG Resolute is the leading provider to the major OEM marketplaces for a wide range of products that includes gaskets, thermal insulation, acoustical insulation, electrical insulators, thermal management materials, bonding tapes, die cut plastics, adhesive lamination, profile extrusions, and metal-fabricated parts.

We are a 3M Preferred Converter. We specialize in the die cutting, conversion, and laminating of polymeric materials and pressure sensitive adhesives. In addition, we manufacture rigid plastic profile extrusions, and provide metal stamping at our two facilities in Georgia.
