

A manufacturer's representative with over 30 years experience serving the OEM lighting market.

Thank you for a great year! Wishing you and your family a Happy Holiday Season from OEM Lighting Sales!

 your product our drive High efficiency LED drivers and modules for lighting that's seamless, fulfills your needs and complements natural light.	 Indoor linear & compact LED drivers provide true 1% dimmable drivers with a wide output and universal voltage range with architectural grade features	 POWERING YOUR WAY Emergency Lighting Solutions and Powerful AC/DC/Charger Designs	 Industry leader in developing Occupancy Sensor Products and Technology for Lighting Control
 Technology Engineering Innovation Leading U.S. based engineering and technology company, is the largest provider of linear low-voltage lighting solutions in North America	 Produces a 98% patented reflective film, diffusion films, batwing films, and linear control films.	 Global leader of specular, raw and highly reflective white aluminum for lighting applications.	 Specializes in Die Cutting, Gasket Fabrication, Metal Stamping, CNC Plastic Fabrication and Rigid Plastic Extrusions
 Producer of high-quality light guides that provide outstanding efficiency and beam control	 Innovative light measurement devices. Fast spectrometer collecting all data at once.	 Customized Linear LED Modules Custom Linear and Area cuttable LED module equipped with LEDs from OSRAM.	 THE WIRING SOURCE Wiring solutions, IP Rated over molded solutions, wire harnesses, PCB integrated solutions, 100% continuity testing
 Near-field optical TIR lens system to deliver precise light control with transmittance efficiency averaging over 94%.	 The industry leader in high quality, cost effective electronic outdoor photocontrols.	 LSI Poles offers a full line of poles and brackets to complete your lighting assembly.	 Bluetooth Low Energy Wireless Mesh that can be integrated into LED drivers, LED bulbs or LED Modules
