#### Meet your presenter – Marc Dyble

Presented by **Marc Dyble**  
IOTA Director of Product Management

Marc is the Director of Product Management at Acuity Brands Lighting. He and his team support the design and manufacturing of emergency lighting equipment for a wide range of commercial and industrial lighting applications.

Prior to his current position, he was a Senior Product Marketing Manager with ams OSRAM, focused on the growth and development of horticulture, UV-C, human centric and outdoor lighting applications.

Marc has more than 20 years of lighting experience in various roles such as electrical and applications engineering, sales, and product marketing. He has a Master of Science in Lighting, specializing in Solid State Lighting, from the Lighting Research Center at Rensselaer Polytechnic Institute. He earned his lighting certification through the National Council on Qualifications for the Lighting Professions (NCQLP) and is on the Board of Managers of the Detroit section of IESNA.
